List **all** products and services your business provides: _____

I understand that, once approved, my membership will close the above listed category to allow my business alone to represent this type of work within NEXt for 12 months as long as I am in good standing and an eligible member. I understand my eligibility is contingent on group approval as well as individual member approval specifically if my business adds or changes services which are not listed on this application and these services overlap the services of any member who joined NEXt before me. I understand if I omit listing on this application all products and services my business provides, I may become ineligible for membership. I also understand that if for any reason my business leaves NEXt, or becomes ineligible, the category I filled will be reopened to another business and I will not be entitled to any refund of my membership dues. My business agrees to attend NEXt meetings twice a month and follow NEXt rules. The NEXt rules are posted on www.NetworkExchangeTeam.com. I agree to pay these membership dues in the amount of \$120 which covers 12 months of membership beginning the date my dues are received.
